In 1996 Gwen Ohokak who grew up at Perry River and Kuugjuaq, Margo Kadlun who grew up in Bay Chimo (Umingmaktok) and Arctic Sound, and linguist Betty Harnum, taught Inuinnaqtun at *Nunavut Arctic College* in Cambridge Bay. To teach the course, they adapted *Kangiryuararmiut Uqauhingita Numiktittitdjutingit*, a dictionary produced for a similar dialect in Holman Island, by Ronald Lowe and others on behalf of the *Committee for Original Peoples' Entitlement* in 1983. The need for an Inuinnaqtun dictionary that reflected the local dialect was soon realized. As a team, Gwen, Margo, and Betty revised the dictionary with elders Mabel Ekvana Angulalik, who grew up in the Chantry Inlet, Perry River, and Gjoa Haven area, and Frank Analok, who was raised in the Ikpigjuaq area near Cambridge Bay. To accurately reflect the pronunciation of the language, the *Inuit Cultural Institute* standard of spelling has been used. The *Kitikmeot Heritage Society* has published this dictionary on behalf of *Nunavut Arctic College*, with funding from the *Department of Culture, Languages, Elders & Youth, Government of Nunavut*. This dictionary is just a beginning, but we hope that it will be useful for those teaching or learning the Inuinnaqtun language.
